RULING ON PLAINTIFF'S MOTION TO MODIFY SCHEDULING ORDER

HAIGHT, Senior District Judge:

Plaintiff Travelers has filed the present motion [Doc. 130] to modify the Court's previously entered Scheduling Order [Doc. 67]. Much of the circumstances in existence at that earlier time have been changed or no longer exist. Specifically, Plaintiff's motion for a prejudgment remedy was denied as moot; Plaintiff's motion for pre-pleading security was granted; Plaintiff and Defendant Excalibur agreed upon the amount of security Excalibur should post; and Excalibur has posted that security. Travelers' present motion correctly asserts that a stay of proceedings is no longer appropriate.

In consequence, Plaintiff's motion [Doc. 130] to modify the Court's Scheduling Order [Doc. 67] is GRANTED.

The Court makes the following Revised Scheduling Order:

1. All discovery, including expert-witness discovery if any is intended, shall be completed

on or before May 16, 2014.

2. Any dispositive motions shall be filed not later than June 6, 2014.

3. The joint trial memorandum shall be filed on June 30, 2014, or 21 calendar days after the Court's decision on any dispositive motion, whichever last occurs.

4. The case will be marked Trial Ready seven (7) calendar days after the filing of the joint trial memorandum.

5. If counsel for the parties are in a position to agree and stipulate at the present time that no dispositive motions will be filed by either party after completion of discovery, counsel are directed to advise the Court to that effect forthwith, and a further revision of this Revised Scheduling Order can then be considered.

It is SO ORDERED.
